CESIE's co-funded activities in 2008:

| N. | Activity Fact Sheet ¹ | Objectives achieved Obtained results | PAX+BNF |
|----|--|---|------------------------------|
| 1 | DemosKratos – Democracy in EuroMed Area [Youth Exchange] | <p>Obtained result: Youth exchange of 8 days involving 40 participants from Spain, France, Italy, Bulgaria, Moldavia, Palestine and Israel</p> <p>Through these results we achieved the following objectives:</p> <ul style="list-style-type: none"> ▪ To think about the concept of democracy and of its different conceptions within Euro-Med realities; ▪ To develop awareness about the situation of democracy in the EuroMed Context and of its historical roots; ▪ To stimulate the thinking of youth about European question, though which European Citizenship, developing their participation in the “parcours” of EU future building; ▪ To create an open space of discussion between youth belonging to different geographical realities within Euromed area; ▪ To stimulate intercultural dialogue. | 40 + 50 |
| 2 | YCCD – Youth and community creative development | <p>Obtained result: Hosting of volunteers from Spain, UK, Moldova and Romania for periods of 9 months. The project is developed in two phases (2 volunteers for each phase) and there will be an overlapping moment in which the new volunteers take over from the old which means that an important sharing of experiences and acquired knowledge and skills will occur. The project’s activities focus on the following themes- intercultural dialogue, creativity, active participation of youth, non-formal education and the use of ICT. The activities include the participation in local (intercultural children’s centres, immigrant women’s group, football teams, etc), international activities (YiA project development, participation in EU level activities and research, etc.) and ICT activities which is a transversal aspect linking the previous two aspects.</p> <p>Through these results we achieved the following objectives:</p> <ul style="list-style-type: none"> ▪ To promote the intercultural exchange between the volunteers and the local community, facilitating this way the intercultural dialogue and the abolishment of prejudices and stereotypes. | 4 volunt. 4 org. + 800 |

¹ Fact Sheets include: Title, project website, objectives, activities, results, partners, dates of project, funding body, contact, disclaimer.

| | E(urope) | <ul style="list-style-type: none"> ▪ Active Participation within the hosting communities from Gorj County. ▪ Provide the context and the opportunities for all volunteers to develop both personally as well as socially by acquiring and improving new skills and competences as well as boost their self- confidence. ▪ Increase tolerance towards different cultures by learning and accepting the cultural differences. ▪ Contribute to the community development by boosting the participation and active involvement of young people in their local communities. ▪ Encourage the participation of youngsters with fewer opportunities ▪ Widen and strengthen the partnership and co-operation relation in between all project promoters; | |
| 23 | <i>Media For Young Generations 2008</i> | <p>Obtained result: Sending of 2 volunteers to Syria</p> <p>The whole project took place in Yarmouk, a Palestinian refugee camp which lies 8 kilometres from the centre of Damascus. The project focussed on the involvement of local and European volunteers in activities connected with media education which will facilitate the involvement of the children and teenagers (13-18 years old) of Yarmouk. The main aim of the project is the advancement in a more mutual and deep intercultural understanding, in particular between European and Palestinian youth. This goal will be achieved through the complete immersion of the European volunteers in the association's activities and through the experience of the everyday life in Yarmouk refugee camp.</p> <p>Through these results we achieved the following objectives:</p> <ul style="list-style-type: none"> ▪ to build a cultural and human exchange between European and Palestinian youth through the collaboration in activities; ▪ to strengthen the self-esteem and the creativity of the Palestinian youth; ▪ to develop a new common ground for a better understanding of the "other" and of his culture and identity belonging and consequently of the individual's own ones; ▪ to disseminate the Youth in Action programme and the EVS and the possibilities those can offer to youth. Moreover this project includes objectives connected with EVS as a life experience for the volunteers: ▪ to give volunteers competences and skills to use in their social, personal and professional relationships, which cannot be acquired through the formal education process; ▪ to stimulate the volunteers towards an active citizenship; | 230 |
