CESIE's co-funded activities in 2011:

N.	Activity Fact Sheet	Objectives achieved Obtained results	# PAX + BNF
1	ISPAW – Implementing Social Pathways to ameliorate the situation of wandering homeless persons	<p><u>Objectives achieved</u></p> <ul style="list-style-type: none"> ▪ Adapted tools to the actual and local conditions, used to implement the social inclusion of young homeless persons; ▪ Found out how to ameliorate the modalities of accompaniment and accommodation; ▪ Transferred competences and exchange professional methods helping social structures to welcome and accompany homeless persons; ▪ Allowed young homeless persons to be motivated and integrated; ▪ Created new ways to increase the awareness of key actors, so to harmonize the practices of social workers. <p><u>Obtained Results</u></p> <ul style="list-style-type: none"> ▪ 5 international meetings (one in each partner’s country); ▪ Roundtable in Palermo (involved stakeholders and politicians); ▪ ISPAW website; ▪ ISPAW Handbook, final output of the project that will include all good practices exchanged among partnership. In addition PEST analysis of the local context was provided and SWOT analysis of each good practices. Finally, each partner provided the description of the background at local level and policies. 	12 + 45
2	CTL – Crossing The Line, Europespectives	<p><u>Objectives achieved</u></p> <ul style="list-style-type: none"> ▪ Raised awareness about the issues that are affecting young people in each of the participating countries; ▪ Transferred the products that will be targeting VET trainers working with young people; ▪ Ensured the exploration of a wide range of factors which influence a youngster’s transition to adulthood and recognised the needs to dispel negative perceptions of young people; ▪ Promoted European perspective on Youth Culture, disengagement and engagement. <p><u>Obtained results</u></p> <ul style="list-style-type: none"> ▪ Produced learning materials, DVD, workbook; ▪ Trainings and production of materials, regarding youth and youth culture. 	40

N.	Activity Fact Sheet	Objectives achieved Obtained results	# PAX + BNF
3	Ubuntu III	<p><u>Objectives achieved</u></p> <ul style="list-style-type: none"> ▪ Promoted the intercultural exchange between the volunteers and the local community, facilitating intercultural dialogue and the abolishment of prejudices and stereotypes ▪ Increased awareness in youth and in the local community of cultural differences and their value in the construction of intercultural communities and Europe and in everyday life ▪ Contributed to the objectives of the 2010 European Year for Combating Poverty and Social Exclusion by developing activities with poor and excluded people and by promoting an awareness of the poverty existing in Palermo and in Europe and how it can be combated through empowerment and capacity building within the community ▪ Discovered innovative and creative ways of facilitating community development and integration through the volunteer's contribution to local activities ▪ Facilitated each volunteer's personal and professional development through the acquisition of new skills, capabilities and experiences ▪ Promoted community development, active participation and the concept of citizenship through the presence of EVS volunteers at both EU and local levels therefore working towards the goals of the 2011 European Year of Volunteering ▪ Promoted the YiA programme as a tool in personal and community development, thus increasing the possibilities of non-formal education in Europe <p><u>Obtained results</u></p> <ul style="list-style-type: none"> ▪ Hosted 36 European volunteers for 9 months in Palermo coming from France, UK; Hungary, Spain, Estonia. ▪ Strengthened our local and international network; ▪ Activities included working with migrant children and with their families, migrant adults, people with fewer opportunities. ▪ The volunteers involved have developed a strong intercultural awareness, an increased sense of active citizenship; social and professional competencies. ▪ The volunteers have learnt a new language and they improved their teamwork skills, conflict resolutions, time management etc. ▪ The volunteers became aware of YiA and other opportunities the European Commission offers to youth 	10 + 200

N.	Activity Fact Sheet	Objectives achieved Obtained results	# PAX + BNF
		<ul style="list-style-type: none"> ▪ The volunteers carried out their own personal projects producing a manual for other volunteers/collection of pictures/new workshops in our local partner associations. 	
4	Voices from around the world III	<p>Objectives achieved</p> <ul style="list-style-type: none"> ▪ Stimulated the employment of creative non-formal educational methods in recognition of the Millenium Goal of Universal Education; ▪ Promoted in youth and the wider communities the sense of active participation and volunteering in response to the 2011 EU Year of Volunteering ▪ Contributed to the development in youth of personal and professional skills; ▪ Participated actively in the development of hosting communities; ▪ Promoted in all actors - host and sending communities and volunteers - the values of respect for difference and solidarity; ▪ Promoted the Youth in Action Programme (YiA); ▪ Developed new partnerships between all partner organisations; ▪ Facilitate capacity building in organisations and NGOs working in the field of sustainable community development in other partner countries in the world. <p>Obtained results</p> <ul style="list-style-type: none"> ▪ Sent 30 volunteers to Senegal, Nepal and India for a period of 6 months for each volunteer; ▪ Hosted in Palermo 1 volunteer from Senegal, 1 volunteer from Nepal and 1 volunteer from India for a period of 10 months. Collaborations in the local activities linked to CESIE; ▪ Capacity building of local NGOs; ▪ Development of <i>non-formal learning teaching guides connected to education and recycling for local schools</i>; <p>Activities included: collaborated with the local communities and local volunteers in non-formal education projects in local schools, developed awareness campaigns, connected to nutrition and welfare, developing local, regional and international networking opportunities, facilitated micro-credit initiatives and environmental awareness projects.</p>	30 + 2.000
5	YCCD III – Youth and community creative development III	<p>Objectives achieved</p> <ul style="list-style-type: none"> ▪ Promoted the intercultural exchange between the volunteers and the local community, facilitating this way the intercultural dialogue and the abolishment of prejudices and stereotypes. ▪ Increased awareness in youth and in the local community of cultural differences and their value in the 	4 + 200

N.	Activity Fact Sheet	Objectives achieved Obtained results	# PAX + BNF
		<p>construction of intercultural communities and Europe and in everyday life.</p> <ul style="list-style-type: none"> ▪ Contributed to the objectives of the European Year of Volunteering by developing in volunteer's awareness of the importance of volunteering as a form of active engagement and as a tool to develop or improve competences for personal and professional development. ▪ Strengthened the objectives of the last European Year for Combating Poverty and Social Exclusion by developing activities with poor and excluded people and by promoting an awareness of the poverty existing in Palermo and in Europe and how it can be combated through empowerment and capacity building with the community. ▪ Promote in youth the human values of solidarity, tolerance, respect for difference, friendship, democracy, etc., as important values in the development of personality, local communities and Europe. ▪ Contributed to the development in youth of personal and professional skills and experiences directly connected to the tasks carried out during the project. It could provide them new future chances to contrast the youth unemployment, as they will bring with them new skills and capacities and a higher self-esteem to be ready to enter in the working world. ▪ Promoted the Youth in Action Programme (YiA) as a tool in youth participation and in community development. <p>Obtained results</p> <p>Hosted 8 European volunteers, that come from UK, France, Ukraine, Spain, for 9 months each, The project's activities focused on the following themes: intercultural dialogue, creativity, youth active participation, non-formal education and the use of ICT;</p> <p>The activities included the participation in local (intercultural children's centre, immigrant women's group, football team, etc.), international activities (YiA project development, participation in EU level activities and research, etc.) and ICT activities which is a transversal aspect linking the previous two aspects.</p> <p>The young volunteers came from four countries – UK, France, Spain and Ukraine -thus ensuring cultural diversity.</p>	
6	<p>N.A.T.U.R.A.L Natural Awareness ThroUgh Active Learning</p>	<p>A group EVS short term project developed in Palermo, Sicily with CESIE as hosting organisation. The young volunteers with fewer opportunities came from 6 countries –Hungary, France, Spain, Lithuania, Estonia and -thus ensuring cultural diversity</p> <p>Objectives achieved</p> <ul style="list-style-type: none"> ▪ Stimulated intercultural dialogue between volunteers and local community therefore expanding horizons ▪ Consolidated a sense of European citizenship through a EVS group 	12 + 40

N.	Activity Fact Sheet	Objectives achieved Obtained results	# PAX + BNF
		<ul style="list-style-type: none"> ▪ Contributed to the objectives of the European Year for Combating Poverty and Social Exclusion by actively including youth with fewer opportunities in the project ▪ Facilitated each volunteer's personal and professional development through the acquisition of new skills, capabilities and experiences and giving the chance to look at their future in a natural context. ▪ Promoted the YiA programme as a tool in personal and community development, thus increasing the possibilities of non-formal education in Europe; ▪ Developed <i>new partnerships and strengthen them at both local and EU levels.</i> <p>Obtained results</p> <ul style="list-style-type: none"> ▪ Hosted 12 youths with fewer opportunities from Austria, France, Hungary, Estonia, Lithuania, Spain ▪ They have been involved in practical activities of an education centre in a nature reserve in the Madonie mountains, which are situated at east of Palermo. The young people actively participated in daily activities for the conservation activities, educational activities and in the didactical farm. ▪ Through practical tasks they learnt many types of practical skills which could be used later in life (for example painting, cleaning, cooking, using tools, etc.) and also soft skills (social skills). In this way, practical tasks do not just develop a young person's manual skill, but they serve to develop their social skills at the same time. Improving their soft skills is often the first step in a larger process <i>to help them reach long-term goals.</i> 	
7	INTERFACE	<p>Objectives achieved</p> <ul style="list-style-type: none"> ▪ Stimulated the employment of creative non-formal educational methods in recognition of the Millenium Goal of Universal Education; ▪ Promoted in youth and the wider communities the sense of active participation and volunteering in response to the 2011 EU Year of Volunteering ▪ Contributed to the development in youth of personal and professional skills; ▪ Participated actively in the development of hosting communities; ▪ Promoted in all actors - host and sending communities and volunteers - the values of respect for difference and solidarity; ▪ Promoted the Youth in Action Programme (YiA); ▪ Developed new partnerships between all partner organisations; ▪ Facilitate capacity building in organisations and NGOs working in the field of sustainable community development 	2 + 80

N.	Activity Fact Sheet	Objectives achieved Obtained results	# PAX + BNF
		<p>in other partner countries in the world.</p> <p>Obtained results</p> <ul style="list-style-type: none"> ▪ Sent 3 Italian volunteers in Cambodia for a period of 6 months for each volunteer; ▪ Hosted in Palermo 3 volunteers from Cambodia for 6 months. They have been involved in: ▪ Collaborations in the local activities linked to CESIE; ▪ Capacity building of local NGOs; ▪ Development of non-formal learning teaching guides connected to education and recycling for local schools; ▪ Activities included: collaborated with the local communities and local volunteers in non-formal education projects in local schools, developed awareness campaign, developing local, regional and international networking opportunities, facilitated micro-credit initiatives and environmental awareness projects. 	
8	Encounters	<p>Objectives achieved</p> <ul style="list-style-type: none"> ▪ Developed various core and basic skills / life skills. ▪ Encouraged a change in attitudes i.e. to develop greater tolerance for “foreigners” and a more positive view of Europe; ▪ Development of language, communicative and professional skills; ▪ Fostered the sense of ownership to the European Union; ▪ Promoted active citizenship through volunteering activities; <p>Obtained results</p> <ul style="list-style-type: none"> ▪ Hosted 8 young people during 4 weeks to be volunteers in local centre working in Education; ▪ Knowledge on local culture and tradition; ▪ Volunteers participated in several campaigns and activities promoting sustainable development. 	4 + 160
9	Porta Nuova	<p>Objectives achieved</p> <ul style="list-style-type: none"> ▪ Built new transnational links amongst the partners to develop our work together and between professionals in the three areas of childcare, youth work and support for migrants; ▪ Opened a new learning/access opportunity for the disadvantaged groups we work with; ▪ Extended the participation of older people in adult education; ▪ Helped building confidence and skills awareness in older people. 	40

N.	Activity Fact Sheet	Objectives achieved Obtained results	# PAX + BNF
		<p><u>Obtained results</u></p> <ul style="list-style-type: none"> ▪ Hosted 6 senior volunteers from UK integrated in the local community for 3 weeks; ▪ Sent 6 senior Italian volunteers to UK for 3 weeks; ▪ New understanding of the culture and customs of the other country; ▪ Developed new personal skills and competencies; ▪ Enhancement of old age as a resource to live still learning experiences. 	
10	<p>SUSTENIOR</p>	<p><u>Objectives achieved</u></p> <ul style="list-style-type: none"> ▪ Built new transnational links between the partners to develop our work together and between professionals in the areas of Sustainable Development and Consumption, youth work and support for migrants; ▪ Opened a new learning/access opportunity for the disadvantaged groups we work with; ▪ Extended the participation of older people in adult education; ▪ Helped building confidence and skills awareness in older people. <p><u>Obtained results</u></p> <ul style="list-style-type: none"> ▪ Hosted 6 senior volunteers from France integrated in the local community for 5 weeks; ▪ Sent 6 senior Italian volunteers to France for 5 weeks; ▪ New understanding of the culture and customs of the other country; ▪ Developed new personal skills and competencies; ▪ Enhancement of old age as a resource to live still learning experiences. 	12 + 40
11	<p>IOLI – Informal Learning for Adults</p>	<p><u>Objectives achieved</u></p> <ul style="list-style-type: none"> ▪ Built a consortium of experts to share their knowledge and expertise about informal young adult and elderly adult learning in various EU countries; ▪ Provided young adults and elderly adults with ways to improve their knowledge and skills through informal learning opportunities and mobility experiences, such as long-distance and Internet courses, environmental parks, natural history museums, science centres, galleries, nature trails and others; ▪ Filled the gap between formal and informal learning opportunities for adults and young people with an EU approach. 	12 + 60

N.	Activity Fact Sheet	Objectives achieved Obtained results	# PAX + BNF
		<p>Obtained results</p> <ul style="list-style-type: none"> ▪ Mobility of 12 learners/staff; ▪ Creation of a handbook as a final product of the partnership; it's a collection of case studies of informal learning opportunities from all partners; ▪ Organisation of the partners of local workshops on informal learning; ▪ Creation of the project's website with pictures, policy documents, presentations prepared by all partners involved. 	
12	<p>EDDILI – To Educate is to Make Possible the Discovery of Life</p>	<p>Objectives achieved</p> <ul style="list-style-type: none"> ▪ Shared with partners the Reciprocal Maieutic Approach (RMA); ▪ Improved the quality of teacher education and training in order to provide them with the skills necessary to answer to the increased challenges in their work through the RMA; ▪ Created specific outputs related with the RMA that can be valorised at European and international level; ▪ Increased the quality of learning contexts of adult and young adult learners; ▪ Supported young adult learning staff to learn transversal knowledge, skills and attitudes through the RMA. ▪ Developed creativity in teachers as an important and basic competence in the professional, personal and social development; ▪ Given teachers the opportunity to meet teachers from other countries and in this way to develop their Provided teachers with new pedagogical concepts and methods that will enrich and improve their professional performance; ▪ Encouraged adult and young adult learning staff to create a network. <p>Obtained results</p> <ul style="list-style-type: none"> ▪ Training manual about the RMA; ▪ Training for trainers and action-research in the field of methodologies to increase the training and non-formal education delivered to adult and young adult learning staff; ▪ 12 mobilities by partner; ▪ Website with chat open to new users; ▪ In-presence & self-learning modules. 	80 + 500

N.	Activity Fact Sheet	Objectives achieved Obtained results	# PAX + BNF
13	HCT – HandMade Creative Thinking	<p>Objectives achieved</p> <ul style="list-style-type: none"> ▪ Provided an adequate response in the field of vocational and non formal education and training, to the problems faced by craft SME, through a vocational and non formal education and training teaching tool (the "Capture System" adapted to the different geographical contexts); ▪ Enabled craft SMEs to find innovative and inventive responses in order to grow; ▪ Facilitated the acquisition of creative thinking and related skills to young people learning and working in the craft SME industry; ▪ Permitted a cross-fertilisation between vocational and non formal education and training organisations and craft SME, to enable young people to learn from adults in the field of craft work; ▪ Identified the learning needs of young people and adults working or training to work in the craft SME industry; ▪ Enabled adult learners to develop new fresh ideas thanks to the "Capture System" and to the interrelation with young people; ▪ Maintained and respected the cultural heritage here represented by the craftwork. <p>Obtained results</p> <p>Handmade Creative Thinking transferred an innovative teaching tool (The Capture System) that enabled the target to develop creative ideas in the field of craftwork.</p>	70 + 600
14	CREMOLE, Create – Motivated – Learn	<p>Objectives achieved</p> <ul style="list-style-type: none"> ▪ Improved pedagogical approaches in young adult education; ▪ Improved the quality and accessibility of mobility for young people and adults involved in training throughout Europe; ▪ Improved the quality and increased the volume of cooperation between organizations providing learning opportunities for young adults; ▪ Assisted people from vulnerable social groups and in marginal social contexts; ▪ Provided young adult educators direct experience of the innovative practices and improvement of their learning skills. <p>Obtained results</p> <p>Exploitation of the collection of best practices in the form of a workshop to be organized for young adult educators of the</p>	50 + 400
