

EXACT

Expert and eXcellence ACademy for Teachers

www.exact4.eu

Objectives:

- * Testing, finalising, standardizing, disseminating and exploiting tools, methodologies and good practices in common learning, teaching and training to improve the European wide use of them
- * Transversal use of well-proven, finalized and standardized practices from Grundtvig, Leonardo, Minerva and Socrates projects in combination with the experience and knowledge of private and public training and education institutions
- * Building a Centre of Excellence that will act as a three-lingual knowledge centre where good practices are made available

Activities:

- * Create an interactive online platform
- * Carry out workshops and training
- * Develop regional dissemination meetings in the involved countries
- * Broad publications and information in the consortium and the partners' networks
- * Incorporation of the good practices into in the curricula and methodologies of partners and their networks
- * Set up of a mobile teams of experts based on a train-the-trainer concept
