

## GEM Game for EuroMed

[www.gameforeuromed.eu](http://www.gameforeuromed.eu)

### **Objectives:**

- \* To promote education for intercultural citizenship through playing
- \* To develop educational pilot programmes on active intercultural citizenship based on “learning by playing” approach, providing with skills and knowledge formal and non-formal educators
- \* To involve young people and educators in the development of a new creative resource (a board game) to be used in youth environments to promote values of tolerance and mutual understanding of different cultures and traditions

### **Activities:**

- \* Identification of good practices using games as intercultural tool
- \* Online training for formal/non-formal educators and youth workers on promoting education on intercultural citizenship by adopting playing activities
- \* 20 pilot workshops to test the board game in schools and/or youth centres addressed to at least 160 youngsters.
- \* Finalising the GEM Board game
- \* Dissemination seminars at national and international level

### *Follow the project **IN ACTION***

### **Results:**

- \* [Catalogue of good practices using games as intercultural tool](#)
- \* [GEM intercultural Board Game, a new creative tool suitable to be used as educational tool for intercultural dialogue](#)
- \* GEM Road Map, a tool to support the planning of future intercultural cooperation projects

### **Partners:**

- \* Coordinator: CESIE (Italy)
