

IOLI

Informal Learning for Adults

www.ioli.mathitis.eu

Objectives:

- * To increase the number of people in adult education and improve the quality of their experience, whether at home or abroad
- * To improve conditions for mobility for both trainers and learners
- * To improve the quality and amount of co-operation between adult education organisations (NGOs, Research Centres, Universities)
- * To develop innovative adult education and management practices, and encourage widespread application
- * To ensure that people on the margins of society have access to adult education, especially older people and those who left education without basic qualifications

Activities:

- * Exchange the experience of partnership on adult informal learning
- * The best practices model transfer
- * The training needs analysis for each country
- * The analysis of the data regarding opportunities for informal learning in Europe

Results:
