

TTRAIN

Tourism training the trainers

trainingfortourism.eu

Objectives:

- * To provide unskilled personnel in the tourist sector with special designed vocational training and boosting the opportunities of further education
- * To create, test and implement a tailor made learning model/curriculum for training on-the-job-trainers in the tourism sector
- * To map the state-of-the-art and compare the learning need requirements of the target group

Activities:

- * Delivery of training that improves the competitiveness of the involved tourist companies by educating the staff to be more satisfied and qualified and thus increases the companies' profit and image
- * Developing a detailed curriculum plan using the "Stepping-Stone" model as a platform, including content, number of learning hours and practical guidance for the vocational instructors
- * Delivery of joint staff training events
- * Promotional workshops with regional key stakeholders
