

# We're proud to invite you to the first online International Conference on dating violence in Europe!

Learn more about how Europe is addressing the challenge of preventing teen dating violence, the form of gender-based violence occurring among adolescents and in their first relationships;

Listen to the the most prominent experts and professionals from the field;

Discover how to prevent teen dating violence from the bottom up, through children and adolescents' participation;

During the conference, the Children First consortium will launch the *Children First e-game for youth*, and provide an overview of what we offer for for teachers, families and institutions!

Join us on **Zoom** or follow the work of the conference on our social media channels.
