

ENGAGED

www.erasmus-entrepreneurs.eu

Objectives:

- * To promote entrepreneurship through EYE scheme and its related events with a special focus on but not limited to the fields of manufacturing and industrial innovations as well as strengthening entrepreneurial knowledge level
- * To provide on-the-job training for new entrepreneurs in small and medium-sized enterprises in the EU; to expand their knowledge in order to facilitate their own business development
- * To support the development of industrial innovation competitiveness in consortium countries by providing trainings, consultancy and identification of potential partners for new and already established businesses in other EU countries
- * To build and facilitate support measures for sharing the best practices and knowledge among entrepreneurs from different Member States
- * To represent EYE scheme in EYE ENGAGED consortium countries

Activities:

- * Recruitment and assessing applications of New and Host Entrepreneurs in accordance with the Programme's policies
- * Building relationships processing the applications submitted in consortium's countries, following the procedure and deadlines foreseen by the Programme
- * Preparation, support and follow up of the exchanges between New and Host Entrepreneurs
- * Follow up of the project and dissemination of project's results
- * Transversal promotional activity of the VISION project and the Erasmus for Young Entrepreneurs (EYE) Programme

Results:

- * 35 business relationships involving 70 economy actors

Partners:

- * Coordinator: VSI Saretas – International Cooperation and Research Network (Lithuania)
- * CESIE – European Centre of Studies and Initiatives (Italy)
- * Chamber of Commerce and Industry in Stara Zagora (Bulgaria)

Date of project: 01/02/2013 – 31/01/2015
