

## From School To Community: children and students as change agents in the community

[www.fs2c.eu](http://www.fs2c.eu)

### **Objectives:**

- \* To promote and embrace a democratic society by strengthening democratic citizenship and human rights education via a sustainable multi-actor bottom-up approach
- \* To help students develop knowledge, skills, attitudes and values to participate actively in democratic life by learning and exercising their rights and responsibilities both at school and in their community
- \* To provide initiatives for students in order for them to be able to improve their environment and developed participation and democratic civic skills

### **Activities:**

- \* Literature Review on Democratic Citizenship and Human Rights Education, and Assessment of the training Needs of Teachers in this field
- \* Training of School Teachers on Democratic Citizenship and Human Rights Education (mostly Social Studies Teachers) in the Ankara region of Turkey
- \* Training and active engagement of students in their communities in Turkey
- \* Dissemination of results via publications and articles and through a workshop to be held in the Ankara region of Turkey

*Follow the project **IN ACTION***

### **Results:**

- \* [Literature Review on Democratic Citizenship and Human Rights Education in Turkey and in Europe](#)
- \* [FS2C – Handbook on education for citizenship and human rights](#)
- \* [Students in Ankara organise community events](#)

### **Partners:**

- \* Coordinator: EURICON (Netherlands)
- \* Middle East Technical University – METU (Turkey)

Date of project: 15/08/2013 - 15/01/2015
