

Feel it!
Feel the difference
www.feelthediversity.eu

Objectives:

- * To promote the integration of Third Country Nationals in the Member States of the EU
- * To build a bridge between local and migrant communities and to teach tolerance and mutual respect
- * To enhance the public perception of migration, diversity and cultural richness
- * To promote better intercultural dialogue
- * To create a sustainable project for school education to provide measures to combat racism, xenophobia, stereotypes and prejudices in the long term by confronting teenagers with topics like migration, integration and diversity

Activities:

Development in each partner country of:

- * 3 Eye-catchers, poster and flyers to inform and sensitize the communities and to enhance the public perception of migration
- * A Path of Diversity: with 5 different stations made with the help of the student, installed in public places for a least two months, that showcase different cultures and ethnic group feeling the cultural differences in an interactive and sensuous way
- * A Curricula for the school: instructional strategies and resource materials for school education
- * A School project week: students and teachers will be involved in workshops, seminars, circle time, projection of films, meetings with representative groups of migrant communities
