

Green Fingers

www.greenfingersproject.wordpress.com

Objectives:

- * Attracting adult learners, especially older people, to carry out practical work with children, using gardening as an educational activity
- * Promoting intergenerational learning and contact
- * Creating new pan-European links, being developed by both staff and learners exchanging knowledge and ideas with the counterparts
- * Sharing a common language –the theme of gardening- to overcome linguistic and cultural barriers

Activities:

- * Setting up ‘Green Fingers groups’, bringing together trainers, learners, gardening experts and those working with children
- * Creation of a new gardening space, accessible to children and the group (in a school, in a public park, in the countryside)
- * Run regular practical sessions, including share meals for all, to publicise the learning opportunities
- * Design of the project portfolio
- * Exchange of information on Best Practice, presentation materials, dissemination of ideas
- * Submission of material for the project website

*Follow the project **IN ACTION***
