

GUESS WHAT

... it's non-formal education!

[Training Course]

Objectives:

- * To facilitate the attainment of knowledge, skills and attitudes in the framework of non-formal education
- * To increase the quality and quantity of projects using non-formal education approach
- * To create new projects and training opportunities within the Youth in Action programme using non-formal learning
- * To develop a product based on the implementation of the training course and its outputs that will include tips for implementing a good training course about the theme, supporting documents and training conclusions

Activities:

- * Training course of 8 days (11/07/2011 - 19/07/2011) in Palermo (Italy), based on the development of knowledge and skills to use non formal education with young people through different activities: ice-breakers, group building, buzz groups, simulations, creation of new projects

Follow the project [IN ACTION](#)
