

HATTRICK

Football Learning Integration

www.hattrick-project.eu

Objectives:

- * Promoting methods for steering complex group-dynamic processes employing notions of fairplay
- * Using football as a way of stimulating engagement in learning
- * Fostering the acquisition of skills in conflict prevention and resolution, intercultural competences and social competence, in particular communication skills, for working with young migrants in football coaches
- * Enabling a stronger knowledge of professional support structures (counselling, social work etc.)

Activities:

- * Development of workshops, with tool-kits and materials for young migrants and football trainers
- * Implementation and documentation of pilot workshops
- * Awareness-raising activities among stakeholders in adult education, sport and integration, disseminating fliers, posters, newsletters, project presentations, and media publications
- * Develop a Hattrick Good Practice Brochure

*Follow the project **IN ACTION***
