

In&Out

Boosting disadvantaged youth and migrant integration through cultural and volunteering activities.

Objectives:

- * To promote volunteering as an effective tool for the integration of youth with fewer opportunities and young migrants in Europe.
- * To share best practices and strengthening the networking and cooperation of Europeans and Caribbean youth workers.
- * To foster active citizenship and participation of migrant young people preventing marginalization and radicalization potentially resulting in violent behaviour.
- * To provide youth workers methodological tools to strengthen their support to this target group.

Activities:

- * Implementing international training to train professionals with theoretical and empirical contributions on the theme of migration and the accompaniment of young migrants through voluntary commitment and cultural activities.
- * Engaging young migrants and vulnerable youth through storytelling, dance and art workshops to improve the participation and integration and to fight prejudices promoting respect of human rights

Follow the project IN ACTION

Results:

- * Open Educational Resource (OER) tool for young people and youth workers whose aim is to exchange tools, methodologies and approaches around the accompaniment of young people migrants.
- * Youth workers e-learning modules to support users' learning on young migrant integration through volunteering and cultural activities.
- * RMA, Storytelling, dance and art workshop toolkits to support users learning on young migrants integration through the creation and experimentation.
- * In&Out Reference Guide for educators, facilitators and trainers accompanying young migrants and young people with less opportunities in their integration process.

Partners:

- * Coordinator: [ADILES](#) [France]
