

Inventing the future
Multiaction Project
Reciprocal Maieutic Approach for conflict transformation
www.inventingthefuture.eu

Objectives:

- * To allow participants/partners to acquire knowledge and competencies in the practice of RMA Reciprocal Maieutic Approach
- * To reflect on the root causes and effects of multicultural, multiethnic and multi-faith conflicts
- * To help young people to develop the skills and competencies to deal in nonviolent way with conflict situations in their multicultural, multiethnic and multi-faith contexts and in general
- * To permit mutual exchange of experience and good practice in nonviolent conflict transformation and promotion of a culture of respect and diversity between partners
- * To develop new projects with the Youth in Action Programme

Activities:

- * Kick-off meeting – 1st international meeting and training course
- * Maieutic Workshops
- * Youth exchange: “Inventing the future: Youth power through nonviolent action”
- * Training course for peer educators
- * International Seminar
- * European Voluntary Service (EVS) projects

Results:

- * [Tools](#) about the project /European Institutions / for youth
- * [Practical manual for youth workers and project coordinators](#)
- * [Draft of manifesto](#)
