

LBD Learning By Doing

www.cesie.org/en/in-azione/europa/learning-by-doing

Objectives:

* To facilitate the acquisition of specific personal and professional skills through a work placement abroad for in 54 Sicilian youngster, in order to facilitate their search for a job

Activities:

The project is directed to 54 youngster, from 18 to 35 years old, residents in Sicily, available to enter in the job market (jobless, unemployed, diploma graduated, university graduated). Those beneficiaries will have the chance to live a period abroad (UK, Greece, Portugal, Romania, France), for 13 weeks, being engaged in a professional placement in one of the following areas:

- * Nursery and Gardening
- * Food processing
- * Processing of metals in the goldsmith's art
- * Craft in the wood industry
- * Manufacture of textiles

Follow the project IN ACTION

Results:

* Learning By Doing - Handbook [it](#)

The LBD Handbook is a tool to better understand how a mobility experience could help young people in developing professional and personal skills. It contains also the experiences of some of the participants

Partners:

- * Coordinator: CESIE (Italy)
- * Clervaux Education (United Kingdom)
- * Youth Centre of Corinthia (Greece)
- * Epralima (Portugal)
- * Young Partners (Romania)
- * Inter Exchange (France)

Date of project: 15/09/2012 – 14/05/2014
