Follow the project [IN ACTION](#)

Results:

* [NATURAL Booklet](#): It summarises the European Volunteering Service experience of 12 young people. It collects information about the activities carried out and knowledge acquired during their stay in a Natural Reserve. Through this final product volunteers express their feelings and give suggestions about how to live “at the best way” EVS experience and Italian culture. This product has been realized by volunteers, with the technical support of CESIE
