

ProLang Promotion of Learning Less Used European Languages to Youth on the Move

www.prolang.net

Objectives:

- * To promote language learning and linguistic diversity
- * To support the development of innovative ICT-based content, services, pedagogies and practice for lifelong learning
- * To promote European co-operation in fields covering two or more sub-programmes of EACEA
- * To promote language learning and support linguistic diversity in Member States

Activities:

- * To analyze existent practices and methods for promotion of language learning in project partners' and other EU countries, and identifying examples of best practices in promotion
- * To develop the online language testing tool with the purpose to encourage initial or further language learning
- * To implement, test and improve promotional activities through a dedicated website for the purpose of dissemination and exploitation activities

Follow the project [IN ACTION](#) / Watch the [VIDEO](#)
