

SAVE

Sport Against Violence and Exclusion

Objectives:

- * To recognise and increase the acquisition of skills and competencies such as discipline, team-work and perseverance through informal learning activities in sport.
- * To support sport clubs which practice grass-root sport in order to increase their services and engage young people in sport.
- * To promote dialogue and exchange of best practices by integrating sport competencies in everyday practice.
- * To support inter-cultural dialogue, sense of belonging and participation through key sport competencies contributing to social cohesion and integrated societies.

Activities:

- * Gap analysis through desk and field research on the current sport situation to assess target's needs.
- * Creation of SAVE online platform.
- * Creation of SAVE curriculum for trainers.
- * Implementation of a pilot training of community coaches and students.
- * Creation of SAVE Training KIT.

Follow the project IN ACTION

Results:

- * Increased sport skills and competencies in youth and trainers within the participant countries.
- * Created and piloted curriculum and training for coaches and students.
- * Enhanced network for coaches, youngster and parents through online platform for sport structures and courses.
- * Promoted and increased engaging in sport, inter-cultural dialogue and sense of belonging in youth.

Partners:

- * Coordinator: Lithuanian Sports University (Lithuania)
- * University of Split (Croatia)
- * University of Palermo (Italy)
