

## SENSE

### Social Entrepreneurship & Social media for youth Employability

#### **Objectives:**

- \* To promote and encourage social entrepreneurship as a response to youth unemployment
- \* To raise awareness about opportunities offered by social networks to facilitate employability and to promote social enterprise in the Euro-Mediterranean area through the exchange of best practices
- \* To foster intercultural, intergenerational dialogue & understanding, economic development & social inclusion of youth
- \* To promote deeper knowledge about European programmes and funding opportunities for youth and social entrepreneurs for the EuroMed area

#### **Activities:**

The SENSE training course [6<sup>th</sup>-14<sup>th</sup> June 2015] aimed to give to its 32 participating youth workers, tools and new methodologies to youth workers by providing ideas on how to create a social business and bring a positive impact on society, ensuring social inclusion and economic development through social entrepreneurship, as well as exploiting and exploring the opportunities offered by social media in promotion of their own social enterprise, as well as give knowledge on the use of social media in getting employed
