

YSSA Youth-led Street Sport for All

Objectives:

- * To promote voluntary activities in sport, together with social inclusion, equal opportunities and awareness of the importance of health-enhancing physical activity through increased participation in, and equal access to, sport for all
- * To increase participation in sports, strengthen social inclusion and promote voluntary activity amongst disadvantaged children and youth in Italy, Greece, Malta, Lithuania, Lebanon and Denmark

Activities:

- * Development of the Playmaker education: educate 600 young people as voluntary street sports instructors and role models
- * Development of the GAME Zones: youth-led street sports activities and events to reach 5000 marginalised youths from disadvantaged neighbourhoods
- * Creation of the Street Sport facility partnership
- * Building local GAME branches: establish local GAME branches in all partner countries

*Follow the project **IN ACTION***

Results:

- * Curriculum to transfer the Playmaker concept to new contexts
- * Toolbox for sharing and promoting dialogue containing a street sports compendium with drills and training materials, a free, online, learning platform for all Playmakers
- * Street Sports Facility Guide to establish and operate outdoor and indoor street sports facilities
- * Annual Street sports festival: an annual celebration of street sports will be held in all partner countries
- * Street Sport conference on street sports as a tool for social inclusion, and civic engagement through voluntarism in Valletta (Malta)
