Youth Spirit of Entrepreneurship for Employability

Objectives:

- * To provide youth workers with new & innovative practices to be employed in the work with youth regarding their job search and their sense of initiative
- * To empower unemployed young people, including youth with fewer opportunities, with resources & tools to be competent and successful in their job and develop their spirit of entrepreneurship
- * To train the participants to face the world of work by preparing them for the challenges & helping them to develop self-esteem, communication, problem-solving and creative thinking skills
- * To transfer knowledge, ideas and good practices among EU citizens, promoting intercultural dialogue and valorising the active contribution of all participants
- * To create a network among the participants for their future collaboration

Activities:

- * The training course took place in Palermo between the 25th of May and the 2nd of June, involving 40 participants from 14 European countries
