# Map of Positive Experiences Across Europe

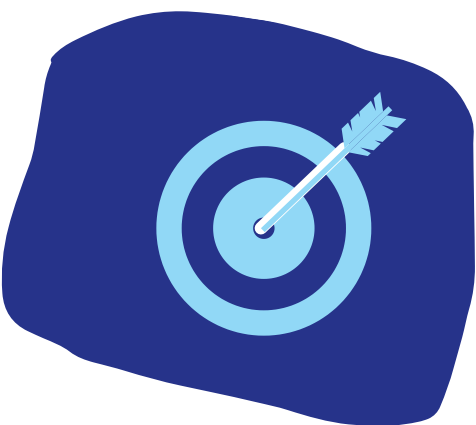

## What is EU+MAP Project About?

The EU+Map project has a twofold objective: firstly, to enhance the teaching abilities of language instructors by establishing innovative educational approaches for teachers who work with migrant learners facing challenging learning conditions. Secondly, the project provides informal language courses specifically designed to meet the needs of socially marginalized migrants.

## Operational Objectives

- Improving the competences of adult educators working with migrant people on language acquisition
- Creating upskilling pathways and improving accessibility for adult migrants
- Promoting social inclusion focusing on migrants' positive impression of Europe and sharing personal experiences

## Project Results

- An online learning platform including a map of good experiences
- A Teachers Manual prototype in English & national languages
- A Teachers Training prototype in English & in national languages
- A Blended Language Course prototype for migrants in English & in national languages
