

Capacity Building Relay Race – CaBuReRa

CALL FOR PARTICIPANTS

I. The project

Capacity Building Relay Race – CaBuReRa (<http://www.caburera.org/>) is an ENPI CBC MED 2-year project promoting the collaboration among Mediterranean territories by offering mobility and professional development opportunities to young people.

The project will involve 90 people (30 youth workers and 60 young unemployed) from partners' country offering them the opportunity to live a professional experience abroad. They will be host by partners' organisation and provide with training in: project cycle management; foreign language; management of projects with local organisations; etc. Thus, the participants will work with experienced organisations active at Euro-Mediterranean level in an international work environment developing technical skills on project management, mediation skills and intercultural competences. At the same time, the project will support the development of civil society organisations and public authorities promoting networking both at local and international level.
