of the European Union

Mo(ve)ments of inclusion training course

Mo(ve)ments of inclusion, a training course aimed at young artists, volunteers, youth workers and project leaders, will take place in Baida and Palermo from the 29th of June to the 7th of July.

The project will involve 34 participants from 15 different European countries (Italy, Bulgaria, Czech Republic, Estonia, France, Germany, Lithuania, Malta, Poland, Romania, Slovakia, Slovenia, Spain, Turkey and Hungary).

The course is organized by CESIE in collaboration with several European partners and funded by the European Commission through action 4.3 of the Youth in Action programme.

This innovative and participative project will include activities related to body expression, movement techniques and dance. It will use each person's creative input to highlight communal solidarity, self-confidence and self reflection in the work with young people at risk or in situations of social exclusion and marginalization. The TC will also promote the sharing of best practices in the field of youth work.
