## SUMMARY

ReFace MOOC syllabus is the first intellectual output of the project, based on the following inputs:

- X project proposal, and
- X European Report on Resilient Regions

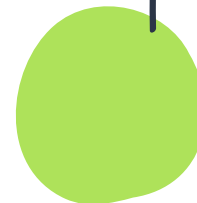

# THE EUROPEAN REPORT ON RESILIENT REGIONS

- X Based on the information collected by project partners in their national contexts: Italy, Slovakia, France, Spain
- X Aim: examine the resiliency level of selected countries and their capacity to prevent/respond to crises appropriately
- X Methodology: Desk and field research (online surveys & interviews) on regional resiliency and skill and training needs in the area of resilient regions building

## THE SYLLABUS

- X Methodological framework for MOOC development
- X Content: definition of MOOC features, i.e. topics, assignments and assessments for students, methods of delivery, learning outcomes, activities, channels

X

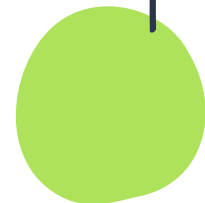

## MOOC TYPE & TARGET GROUP

- X Type: **xMOOC** (eXtended Massive Open Online Course: massive, open, and with multiple enrolment periods and subjects focused on scalability)
- X Target group:
  - X employees of public administration & NGOs active in the field of regional development
  - X students in the final academic year of study branches of public administration or regional development
  - X prospective tutors/curators and facilitators of ReFace MOOC

## MOOC ARCHITECTURE

- X Fully online with mostly asynchronous activities
- X 4 modules, each further divided into 2 submodules
- X Activities within each module take up to 4 hours
- X Total duration of the course: 16 hours
  - X 4 weeks
  - X 4 hours of study weekly (one week for each module)

## MOOC MODULES

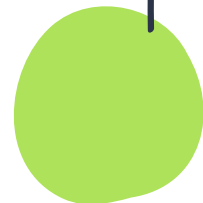

- X **Module 1** Resilience basic: roots & framework
- X **Module 2** Regional resilience: life cycle & components
- X **Module 3** Regional resilience planning: key players' engagement & vulnerability assessment
- X **Module 4** Regional resilience: implementation, measuring & funding

## MODULES ELEMENTS & ACTIVITIES

**Variety recommended but not limited to:**

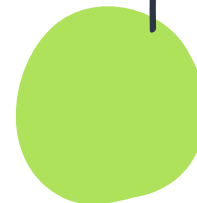

- X study texts/readings,
- X quizzes,
- X discussion forums,
- X live streams & videos,
- X case studies,
- X peer assessment assignments

## SUPPORT & COMMUNICATION CHANNELS

- X Support:
  - X Curators: content & technology expert
  - X Facilitators: “dynamiser” to ensure that participants complete the course satisfactorily
- X For the asynchronous communication
  - X discussion forums, Twitter or Facebook
- X For the synchronous communication
  - X Google Hangout, ZOOM or Skype are proposed
