Anti-Trafficking, Gender and Protection in the context of Safe Spaces

Join our online Training & Open Seminar on WGSS

Safe Hut is a project that aims at providing Safe Spaces for Women and Girls with a special focus on the needs of potential victims of trafficking, to be established in Greece (KMOP), Lithuania (KOPZI), Bulgaria (Animus) and Romania (AidRom). The Capacity Building is designed by IRC (Italy and Germany), CESIE (Italy) and Centro Penc (Italy) to provide training and to facilitate knowledge exchange for the Safe Space implementing partner organizations, including all Staff involved in the Safe Hut Project. The Capacity Building sessions as well as the Online Public Seminar on WGSS implementation approaches by IRC is open to all professionals working in the field of migration within reception centers, associations and local institutions. Our Team is looking forward to meeting you!
