

PRESS RELEASE

TEACHMI- TEACHER PREPARATION FOR MIGRANT SCHOOL INCLUSION

On 26th - 27th of January 2022, has been organised the 2nd Study Visit which took place in Portugal, hosted by the University of Coimbra.

Main aim of the study visit was the experts to exchange knowledge for the promotion of integration of students with migrant background in education and the presentation of the final proposal of Guide Assessment. Heads of schools and training centres, head teachers, representatives of national, regional and local authorities, companies and others representatives from Greece, Italy, Cyprus, Portugal, Bulgaria and Belgium participated in both days face to face and virtually.

The experts discussed about the guide assessment and exchanged ideas on education and training.

The second day the experts visited schools with migrant background.

The Study visit has inspired the participants with new ideas, which they brought home and developed into suggestions for their daily work.
