YAB's Advisory Plan

Respect

Consider the target groups present and have an awareness of special needs of those present to be able to build bridges between these groups

- o Different ages
- o Different situations
- o Neurodivergence
- o Self-expression

Support

Make it accessible through the use of an appropriate location, contact person, etc.

Safe space

- o Open with energizers
- o Provide different methods of communication (ex. Post-Its)
- o Use name tags (with pronoun use)
- o Not serious/relaxed atmosphere
- o Provide enough well-timed breaks
- o Informal conversation – same layer of communication

Skill highlight

- o Provide opportunities for the youth to discover and learn skills that could be used in the work field
- o Highlight participants skill sets to help them feel part of the process
