

THIRD NEWSLETTER FROM YOUTH IMPACT+ PROJECT

WHY DO WE DO WHAT WE DO?

Our project is addressed to Youth workers and Youth organisations, and project managers involved in European funded youth projects to:

- increase a clearer understanding of the importance of impact on the long-term outcomes of a project;
- enhanced accessibility to and awareness of training material and resources relating to youth sector impact;
- access to a large pool of innovative resources from within the European youth project network;
- personal empowerment, inspiration, and improved capacity for innovation
- increased awareness of specific needs and situation of youths in access to services
- better understanding of the best practices in maximising impact of youth projects
- improved knowledge on how to better support youths through youth work and youth-focused projects

WHAT EXACTLY ARE WE DOING?

We are going to provide a wide range of free online materials that will foster the learning of youth organisations and youth workers from each other by recognising and sharing good practices, increasing the quality of youth work, the skills, competences and understanding of youth workers and in turn, facilitating high-quality opportunities and support for the youths engaged with them.

WHAT IS YI+ DIGITAL TRAINING COURSE?

The e-course is a dynamic, interactive course for both target groups to learn how to use and properly integrate the YouthImpact+ tool and platform into their planned or existing youth initiatives and projects.

The e-course is structured for an estimated total duration of 24 hours of learning, pending the particular characteristics and formats the end-users plan to implement their training activities. The learning time is split down into 7 modules as is agreed during the planning stages. The eCourse and supporting material is delivered in all partner languages, and also include three video overviews: one for Youth, one for Youth Workers and one for Youth organisations.

This output is an e-course (YI+C) aimed at the intended users of the YouthImpact+ (YI+) Digital Tool and Platform (YI+P). To assist the target groups develop their understanding of the YI+P, the consortium develops a e-course training framework, which includes a module for each specific dimension of the impact monitoring and assessment landscape, e.g., and structured as outlines in below:

1. **Planning and implementation,**
2. **stakeholder identification,**
3. **collective and individual impacts on stakeholders,**
4. **monitoring and measuring impacts,**
5. **data collection and data sources,**
6. **recommended activities to maximise impact**
7. **how project impact relates to EU policy objectives**

The courses are linked to Impact+ exercise and how to better assess the impact in your projects and in your organisation.

Stay tuned on our social media to get to know more about the project and its development.
